To Whom It May Concern:

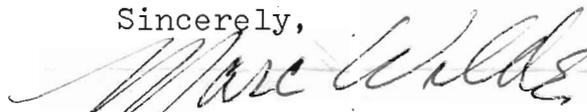

Please allow me to lend my personal support to the request you have received from the Delta Carnival, resident company of the Synergic Foundation For The Arts.

I have had the pleasure of experiencing the exciting performances of the Delta Carnival and consider them one of the truly creative performing companies on the West Coast. The artistic genius and energy that emanates is a reflection of its gifted directors.

I, as an individual, will be available to the Delta Carnival to provide any skills or support I can offer.

I commend them to you.

Sincerely,

Marc Wilde
