Dear Mrs. Manning:

Dr. Dumais was kind enough to send me a copy of the article on "A Manning Double Bill" that appeared in The New York Times on Monday, September 12, 1988.

It is a certainly a tribute to you and I wanted you to know how proud we are to think of you both as a student and practitioner of the Arts.

Many congratulations.

Sincerely,

Dear Professor Manning:

Thank you for your follow-up letter setting straight the record that I had not quite mastered.

I am pleased to know of your status as an Adjunct Associate Professor and your long career in universities and professional schools.

I do hope that I may have the chance some day to meet you personally.

Sincerely,
