Clayoquot Sound, Vancouver Island, British Columbia
"Chief Joseph"

Chief Joseph, had many illustrious names including Wickanninish, wears a Thunderbird headdress. The Thunderbird was the most powerful of all the spirits, causing thunder by the beat of its wings and lightning by the flash of its eyes. It was so large that it caught whales by its talons. Only the most prestigious and powerful chiefs could wear the Thunderbird as a crest.

Photographed by Asahel Curtis in 1929

and SHARES of the money tree. Love to you Both and thanks to
